

ESG Consulting

Given how quickly the focus on Environmental, Social and Governance (ESG) is growing in the public and private space, organizations must prioritize building the appropriate ESG-focused infrastructure, capabilities and controls as part of their core corporate strategy.

With extensive knowledge of the ESG landscape, our team can develop the appropriate ESG strategies, frameworks, governance, policies and reporting tools to meet the complex governing, reporting and financial requirements required of regulated companies.

ESG Strategy and Program Development

Our ESG Strategy and Program Development solutions help organizations assess ESG readiness, develop the appropriate ESG framework and strategy, operationalize processes and controls, meet reporting requirements and establish program governance for long-term success.

- » ESG Framework GAP Assessment
- » ESG GRC Technology Implementation
- » ESG Implementation Support
- » ESG Program Roadmap
- » ESG Materiality and Double Materiality Assessment
- » ESG Stakeholder Alignment

In addition to ESG Strategy and Program Development, our cross-functional team can help public and private companies meet the audit and assurance, risk and compliance and tax challenges associated with ESG.

ESG Assurance

We provide independent assurance services, including audit, review and compilation services for ESG reporting based on the level of assurance and disclosure required.

- » ESG Assurance Services
- » ESG Limited Assurance Reporting
- » ESG Readiness Assessment
- » ESG Reasonable Assurance Reporting

ESG Governance, Risk and Compliance

We help clients understand and mitigate the complex risks associated with ESG, including operational, compliance and reputational concerns. Key services include:

- » ESG Data Validation
- » ESG Program Assessment
- » ESG Regulatory Compliance Assessment
- » ESG Risk and Control Assessment
- » EST Testing and Monitoring

ESG Tax Strategy

We help clients understand the impact of ESG on tax requirements, incentives and reporting, including strategy, preparation and planning.

- » ESG and Tax Strategy Alignment
- » ESG Incentives and Credits
- » ESG Program Development
- » ESG Regulatory Compliance
