Tax simplification has arrived! Schneider Downs is proud to introduce TaxCaddy, for our individual tax clients. TaxCaddy is a safe and secure software solution that will reduce the amount of time you spend collecting your annual tax data. TaxCaddy leverages the capabilities of today's technology to make it easier for you to send us the materials needed to complete your annual Form 1040.

Whether you use a PC, Mac, tablet, or mobile phone, TaxCaddy has the capability to retrieve your Forms 1099, Forms 1098 and W-2s directly from the payor, bank and your employer, and send them electronically to your Schneider Downs tax engagement team. In addition to easily capturing and securely storing tax documents, your TaxCaddy account maintains a complete inventory of your tax data, including a record of all the information that has been reported on your past returns.
